Directions

Prior to starting this project, please check our website for any updates: www.clothworkstextiles.com

Assemble the Blocks:

1. Cut the twelve Gold Sm Berries (Red Md Berries) 2 3/8" squares diagonally in half to make twenty four triangles.
2. Place one triangle along one edge of a Brown Sm Berries (Tan Lg Berries) 2" square, right sides together, aligning the right-angle corners. (Fig. 1) Sew with a 1/4" seam starting at the flush edges. (See arrow) Press seam toward the triangle.
3. Place a second triangle on the adjacent edge aligning the corners. Sew starting at the flush edges. (See arrow)
4. Repeat steps 2 and 3 for a total of twelve small pieced triangles "A".
5. Cut six Green Paisley (Cream Med Berries) 3 7/8" squares in half diagonally to make twelve triangles. Sew one Green Paisley (Cream Med Berries) triangle to the long edge of one "A". (Fig. 1) Repeat for a total of twelve small pieced squares "B".

6. Lay out four pieced squares "B" from above with four Cream Med Berries (Green Med Berries) 2" x 3 1/2" rectangles and one Red Dots (Cream Dots) 2" square. (Fig. 2)
7. Sew a "B" square to the long edge of a Cream Med Berries (Green Med Berries) rectangle. Press the seam toward the rectangle. Sew another "B" square to the other side to form a pieced rectangle "C". (Fig. 2) Repeat for a second "C" rectangle.
8. Sew a Cream Med Berries (Green Med Berries) 2 1/2" x 3 1/2" rectangle to a Red Dots (Cream Dots) 2" square on one end. Sew another rectangle to the opposite side of the small square. Press seams toward the rectangles.
9. Assemble one block by sewing together two "C" units with the unit from Step 8. (Fig. 2) Note the orientation of the "C" units. Block should measure 8" with seam allowances.
10. Repeat steps 6 through 9 twice to make three blocks total.
11. Sew a Tan Sm Berries (Red Sm Berries) 2" x 8" rectangle to one edge of block created above. Sew another rectangle to the opposite side of the block. Press seams out toward the rectangle.
12. Sew a Red Dots (Cream Dots) 2" square to one end of a Tan Sm Berries (Red Sm Berries) 2" x 8" rectangle. Repeat with another 2" square on the other end of the rectangle. Press seams toward squares. Repeat for a second unit.
13. Sew the units just created to the long sides of the block from Step 12. (Fig. 3) Repeat Steps 12 and 13 twice more to complete two more blocks (three total).

Assemble the Table Runner:

1. Cut the Brown Lg Berries (Red Lg Berries) 17" square twice diagonally into four large triangles. Lay out the three blocks created above with the four large triangles to form the center of the table runner. (Fig. 4)
2. Sew the triangles to the appropriate edges of the blocks.
3. Sew the three units created above to each other along the long edges, matching seams. Press.
4. Sew a Brown Lg Berries (Red Lg Berries) 4 1/2" x 11" rectangle to one edge of the end block. Sew a Brown Lg Berries (Red Lg Berries) 4 1/2" x 16" rectangle to the other edge of the end block.
5. Repeat for the other end of the runner.
6. Align a ruler along the long edge of the runner and trim off the extra fabric of the rectangles just added. Be sure to leave at least 1/4" seam allowance beyond the points of the pieced blocks.
7. Layer Table Runner with batting and backing. Quilt as desired. Bind edges to finish.
